Report On Forest Fires During Year

More fires— and more acreage burned in 1949 than in 1948— are reported from the office of State Forester George W. Dean in Charlottesville.

Last year 1,601 fires burned over 12,131 acres, compared with 1,006 fires and 7,783 acres burned in 1948.

Dean attributes most of the increase to irregular distribution of rainfall, which "while nearly normal for the year, did not occur at times favorable to forest fire prevention." Increased carelessness on the part of smokers, was responsible for 507 fires, or about 32 per cent of those during the year.

Other causes listed were: brush burning, 23 per cent; incendiary, 11 per cent; railroads, 10 per cent; campfires and lumbering, 2 per cent each; lightning, 1 per cent; and miscellaneous and unknown, 19 per cent.

Henrico and Chesterfield Counties led in the number of fires, with 103 and 95, respectively. King George and Lancaster were the only counties with no fires reported.

The largest single fire was in Louisa County and burned over 600 acres. The average size of all fires reported as 7.5 acres.

Of the 1,601 forest fires reported the persons responsible in 450 cases were apprehended and required to pay fines and suppression costs amounted to $7,944. An additional 27 persons were prosecuted for setting other forest fire laws, and required to pay fines and cost totaling $3,070.

Anniversary Observed By Moses Motor Co.

Three generations of one family are active in the management of the Moses Motor Company, which this month is celebrating its thirty-first anniversary in business. Mr. T. W. Moses, 77, and his son, C. T. Moses, 53, are partners in the firm and Mr. C. T. Moses, Jr., 28, is sales manager. The company is one of the oldest Chevrolet dealerships in the state.

The firm was originally located near the court house, but moved to their present location in 1922. Facilities have been expanded to meet the needs of the public through the years, the most recent addition being an entirely separate building to house the parts department.

Over 6,000 units have been delivered to the public in the thirty-one years that the Moses Motor Company has been open but Senator Moses can't remember whom he sold the first Chevrolet to in this area.

Senator Moses and his father entered the automobile business after experience with a tobacco warehouse in Appomattox County.

The oldest employee in terms of service at the company is Miss Marguerite Gilliam, office manager, who has been with the firm for 23 years.

Second oldest, John C. Harvey, in charge of the wrecker service, who has been with the firm twenty years; and third, W. S. Walton, in charge of collections, who has been with the firm fifteen years.

Other key personnel include: Kenneth Gregory, Used Car Service Manager; Ollie C. Hall, New Car Service Manager; James L. Blackwell, Customer Service Manager; L. C. MacKenzie, Parts Manager; F. T. He is a past member of the Board of Directors of the Virginia Chevrolet Dealers Association and is a member of the 1950 Dealer Planning Committee for the Baltimore Zone of Chevrolet Division of General Motors. C. T. Moses, Jr., is a graduate of VMI, a member of the Town Council, Commander of the American Legion Post, Lions Club, and Leader of the local National Guard Unit.

Senator Moses, speaking for the firm had this to say about this anniversary: "We at Moses Motor Company want to take this opportunity to thank all of you who make these annual anniversaries possible. News of The April 16

McLean House Dedication

April 16 is the Big Day in Appomattox, when the National Park Service and the people of Appomattox dedicate the rebuilt McLean House. This column is being run each week, to bring the latest information to our readers.

Most exciting news of the week was the effort to bring "Lee and Grant" together again at the famous peace house. Gen. U. S. Grant, III, of Washington, has accepted an invitation to be present. He is a grandson of Gen. Grant. And Robert E. Lee, IV, a great grandson of Gen. Lee has been invited. He lives in San Francisco, Calif. Congressman W. M. Abbitt spoke with Mr. Lee by telephone Saturday and a formal invitation has been mailed.

A U. S. Marine Corps band will be in Appomattox for the dedication, it was announced over the week-end.

The committee on decorations has been active, and a plan for community decoration is being considered.

The Garden Club has appealed for cooperation to "clean-up" the town before the big event. The town will have its truck available to aid in hauling.

Governor John S. Battle has accepted the invitation, and will be present. He will appear on the program.

Governor Kerr Scott, of North Carolina will not be able to attend, but has sent a fine message of greeting.

U. S. Senator A. Willis Robertson and at least three Virginia Congressmen will be present.

Dr. Douglas S. Freeman, noted editor and historian, will speak.

Regional Director Thomas Allen, of the National Park Service, was here last week to check program arrangements.

Mr. R. D. Morrison, acting city manager of Lynchburg, has agreed to lend 400 seats to the Lynchburg armory to seat guests in the reserved area.

The Rev. W. M. Thompson, former pastor of the Liberty Baptist Church, now at Inglewood Baptist Church, Lynchburg, will give the invocation.

Formal invitations to guests of honor were mailed this week.

A H S Loses To Amherst

The Appomattox High School baseball team will play here at 2:00 P. M. instead of 3:00 P. M., due to the cold weather, for the opening home game Tuesday, April 4, with Lynchburg College Junior Varsity.

The A. H. S. team was beaten by Amherst Tuesday, by a score of 15 to 13. It was a loosely pitched game for the local team. It took three of the Appomattox pitchers to try and stop the Amherst attack. It was also loosely played in the infield and outfield for both teams. Both teams showed lack of practice, due to bad weather in the past few weeks. Amherst collected 18 hits, and Appomattox 16; a total of 34 base hits in one game.

Coach Gordon Bragg states that a little more practice and a little more work for the pitchers should enable the local team to come up with a better brand of baseball.

APRIL COURT TERM TO BEGIN MONDAY

It was announced today that the April term of the circuit court will convene here Monday, April 3, instead of April 1. Judge Flood will be in Richmond Saturday.

RADIO SCHEDULE OF LOCAL EDITOR

Calvin Robinson, Times-Virginian editor, may be heard on the radio this week-end as follows:

Friday, 12:30 - 12:35, WWOD in Lynchburg. This week he will have as guests the NPA boys quartet of Carver High School. This quartet made a hit last week at the Lions Club banquet.

Friday, 7:15 - 7:30 P. M., over WWOD, Lynchburg. Fifteen minutes of news comment.

Sunday, April 2, 6:15 - 6:30 P. M., over WRVA, Richmond. He will be guest on a commercial program, and will use the time to publicize the McLean House Dedication.

Mr. A. R. Harwood, chairman of the Appomattox Red Cross Chapter, has agreed for the Red Cross to set up a first aid tent, to attend to any emergency needs.

Resident Highway Engineer, W. C. Poston, has agreed to a closing of Route 24 in the McLean House area to through traffic for two hours during the dedication ceremony.

The program is set for 1:45 P. M., Sunday, April 16.

President Truman will be unable to attend the McLean House dedication here April 16, but invitations have been accepted by Gen. U. S. Grant, III, and Robert E. Lee, IV, grandson and great grandson of the two famous generals who made peace at Old Appomattox in April, 1865.

The rebuilt McLean House will be dedicated by the National Park Service and the people of Appomattox at impressive ceremonies, at 1:45 P. M., Sunday, April 16.

The Times-Virginian received the following message this morning:

The President "deeply appreciates the invitation extended to him to attend the dedication of the McLean Peace House scheduled for April 16th and it is with regret that he must decline. He will be in Key West several days yet and the first few weeks after his return to Washington are always unusually busy ones for him. Consequently, he does not feel he can add to his future commitments at this time. I know you will understand. The President sends you his best wishes, in which I join. —Very sincerely yours, Matthew J. Connelly, Secretary to the President."

Upon receipt of this information, the Times-Virginian contacted Congressman W. M. Abbitt, in Washington, who will be "master of ceremonies" at the dedication event. Mr. Abbitt was preparing for a press interview with Gen. U. S. Grant, III, this morning and was delighted over his success in gaining acceptances from "Lee and Grant" to meet again at Appomattox. Photographers were on hand to get news pictures of the Grant-Abbitt interview.

Mr. Abbitt talked with Robert E. Lee, IV, again yesterday afternoon and was pleased to find that Mr. Lee has agreed to make the trip from San Francisco to attend the dedication. This was splendid news, for the presence of "Lee and Grant" will be a major attraction for the event. The local committee is gratified at the results of Congressman Abbitt's efforts to set up the program here.

Judge Joel Flood, chairman of the dedication committee, is making an effort to secure the VMI band for the dedication. The Marine Band has already accepted. It is possible that at least two other bands may be present.

All roads will be leading to Appomattox April 16.
